TEA ROSE DEGAS

With a palette of soft pinks and lush greens, our table linen, napkins, and runners in the Tea Rose Degas print bring an air of romance to any setting. Named in homage to the renowned impressionist painter, this print at Luxe Linen captures the essence of his evocative brushstrokes and the timeless allure of nature's most delicate blooms. This print comes in rectangle and round table linen, table runners, and in napkins.

LISMORE GARDENS

Imagine hiking the Irish coast in late spring, and you come upon a stone wall built in the 13th century. Peering beyond that wall, you have 10 archers of some of the oldest cultivated gardens in Ireland. Our Lismore Garden print captures the romantic, refined nature of Lismore. Lismore comes in three color ways: Moondance, Blush, and Dove. Each colorway comes in rectangle and round table linen, table runners, and in napkins.

Each piece features a tone-on-tone raised floral motif that beautifully mimics the artistry of appliqué, adding depth, texture, and a touch of romance to your table setting. Fleur comes in two color-ways: Flax and Pearl. Each color-way comes in rectangle and round table linen, table runners and in napkins.

AURORA

These tonal table linens are designed to infuse your dining space with color and depth, without the presence of an overpowering print. Drawing inspiration from an enchanting play of light, Aurora brings a sense of tranquility and elegance to your table setting. Aurora comes in three color-ways: Green Tea, Deep Amethyst and Cerise. Each color-way comes in rectangle and round table linen, table runners and in napkins.

Its lightweight nature ensures easy handling, while its wrinkle-resistant quality ensures a pristine appearance throughout your event.
