linen

Since 2007, our family owned luxury linen company has been dressing tables for the most discerning clients. From celebrity events to five star hotels, **we bring style to the table.**

For more than 15 years Luxe Linen's reputation for stylish fabrics, personal service and extensive selection has made us a favorite of celebrity event planners. Our value and attention to detail has helped us become a trusted partner for fine linen rental.

Our Heritage collection was born out of a desire to revisit our collective past when entertaining was an art form. Historic fabrics, colors, and patterns harken back to a bygone era when hospitality was king. These classics have been reimagined in a modern pallet, that feels at home in modern and historic event venues.

TICKING

Ticking fabric has a history that is synonymous with classic American style. What began as an industrial fabric used to make mattresses, ended up defining the “new American Country” look that graced some of the most prestigious homes, including the Kenedy’s 5th Avenue penthouse. Our Ticking comes in three timeless colors: Corn Flower Blue, Fog, and Macademia, and Powder Pink
